

PREMIUM SERVICE

Trade Show Service

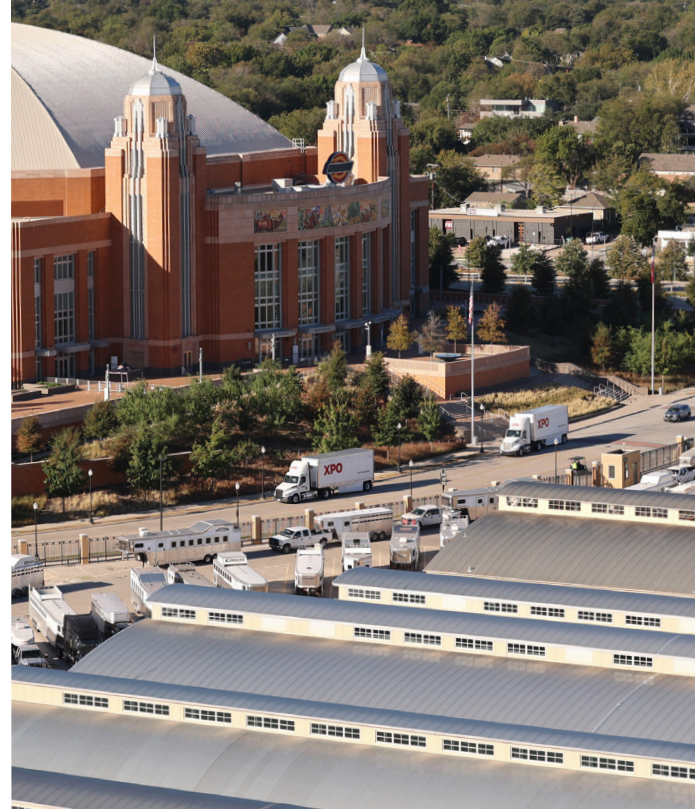

Get peace of mind when shipping your trade show booth and exhibit materials to and from the show.

We know that trade show planning and execution can get intense. Let our knowledgeable team ease the burden by providing the transportation solutions and options you need to ensure a successful event.

Our Trade Show Service offers:

- On-time pickup and delivery performance to and from trade show sites
- 24/7 PRO-level shipment status visibility online
- Priority handling and care of your shipment
- Flagging of shipment as top priority in our network
- Trade Show support desk to answer your questions and support the timely pickup and delivery of your trade show shipments
- Multiple service offerings for you based on the show requirements.

Contact your account executive to discuss your trade show needs.

XPO's record of superior on-time and damage-free service performance gives you the advantage you need.

Choose XPO's Trade Show Service and experience worry-free pickup and delivery service, backed by:

- One of the lowest claims ratios in the industry
- One of the largest single LTL networks in North America, serving 99% of US zip codes and Canada
- Our customer-focused team of local management, customer service representatives and drivers
